Subject: Your letter of 13 March 2018

Dear Members of the European Parliament,

I would like to thank you for drawing my attention to the outcome of your conference 'Repressions against retired law enforcement and military officers in Poland'.

You have provided the Agency with important information on the challenging situation endured by retired law enforcement officers - having served or having taken service before 1990-and their families, after the adoption of the December 2016 Retirement Act in Poland. We will consider the documentation shared in our work.

I also take note that you have addressed the European Commission and I further encourage that you contact DG Justice and in particular the 'Justice policy and rule of law Unit'.

I thank you very much for addressing the Agency and I remain at your disposal for future assistance and expertise.

Yours sincerely

Michael O'Flaherty
